**Mr. Busque, 8<sup>th</sup> Grade Social Studies**

**WWI Causes and Effects Quiz Study Guide**

We will have a quiz over the causes and effects of WWI. The quiz will be 10 to 20 questions, and contain T and F, matching, multiple choice, and short answer questions.

You should know what caused WWI and what were the effects of WWI. Page 704 and 705 has them listed in a graphic. You must not only know them, but also understand what they are, how they effected people and the war etc.

**Causes:**

- Imperialism
- Alliance System
- Nationalism
- German Submarine Warfare

\*You should also know about the Zimmermann Telegram

**Effects:**

- The League of Nations
- American Troops Enter the War
- Battle Over the Peace
- Supporting the War Effort

\*You should also know what the 14 points by Woodrow Wilson was, and how Germany was treated after the war.
